

# Sturdy and complete workbench for assembly and workshop work

We welcome a new type of complete workbench to our range! A powerful, stable, and simple workbench for lots of different areas of use. Thanks to the solid table top of 40 mm and its load capacity of 500 kg, the table fits perfectly for everything from crafts and carpentry to assembly and workshop work. The workbench is equipped with a lower shelf and perforated panel in the back, which creates a good storage solution for tools and other gear. A good, and affordable, all-round table for workplaces, industries, and workshops!
